

THE ILLUSTRATED SONG

FOLK SONGS AS CHILDREN'S BOOKS

Many popular folk songs have been illustrated as children's books. Taking the concept full circle, David sings folk songs such as **This Land is your Land**, **This Little Light of Mine**, **The Marvelous Toy**, and **I've been working on the Railroad** while the pages of the corresponding children's books are projected.

It's like having a giant book that everyone can read the words and see the pictures while the illustrated songs are performed live so everyone can sing along!

David plays authentic folk instruments including banjo, dulcimer, concertina, and guitar. This multimedia program was created with the help of the John Stewig Collection at the Center for Children's Literature, Hedberg Library of Carthage College in Kenosha WI.

This program is great for children's reading events, libraries, schools encouraging literacy and for family evening events where parents and kids can sing together.
