

Alyssa Bohm

Miss Wisconsin

Scholarship Organization

My personal initiative as Miss Wisconsin 2019 focuses on unifying our communities through inclusion. My passion to increase education of diversity and opportunities for all is inspired by my extensive background working with individuals with disabilities as a family member, an educator, and community volunteer. I grew up around my Aunt Cindy who has an intellectual disability. Watching her navigate her own adversity inspired me to provide opportunities for others with disabilities, and eventually led to my career as a special education teacher and the youngest ever Board Member of Special Olympics Wisconsin. I am confident that our communities as a whole will be unified by increased inclusion, not only of those with disabilities, but of all who experience adversity. This is my mission.

Invite Miss Wisconsin to your Summer Program:

- I would love to share my interactive presentation on inclusion with the kids in your summer program.
- My inclusion program highlights the importance of learning acceptance and kindness.
- In addition to my personal inclusion program, I speak on a variety of topics based on your summer event schedule.
- I also entertain and engage with your kids through dance, signing autographs, and posing for pictures.
