

No and Redirect Log

No	Redirect

If the library is unable to accommodate a patron's request, please record it here (e.g. Do you have a fax machine? Will you create my resume for me? May I renew this book even though there are 50 holds on it?)

If you send a patron to a different service desk, please note what the patron is trying to do, and where you send them. (e.g. help with computers, sent downstairs)
